

## **ViewBack Mobile App Privacy Policy**

This privacy policy governs your use of the ViewBack software application (“The Application”) for mobile devices that was created by Vislink.

### **What is the purpose of the Application?**

The Application is used for the express purpose of sending and receiving configuration and status information to and from the ViewBack receiver.

### **What information does the Application obtain and how is it used?**

The Application does not collect or transmit any personally identifiable information about you, such as your name, address, phone number, email address, photos/videos, browser history, phone/text log, contacts, messages, installed apps, fingerprint readings, voice authentication, or other data.

### **How do we handle location data?**

The Application does not use or collect any data related to your geographic location.

### **Can users see their personal data?**

The Application itself does not collect, transmit, or maintain user data.

### **Do we share personal information?**

As no personal information is collected, transmitted, or maintained by the Application, we do not share personal information with anyone.

### **Do we collect or share data with advertising companies, analytics providers, or other vendors?**

The Application has no facility for collecting, transmitting, or maintaining user data, so no data is shared with advertising companies, analytics providers or other vendors.

### **Do we comply with the Children’s Online Privacy Protection Act (COPPA)?**

Yes. We do not solicit nor gather any data from children under the age of 13. If a parent or guardian becomes aware that his or her child has provided us with information without their consent, he or she should [contact us](#).

**What happens if this Privacy Policy changes?**

Our privacy policy may change from time to time for any reason. If we make any material changes to our policies, we will place a prominent notice on our website or application. You are advised to consult this Privacy Policy regularly for any changes, as continued use is deemed approval of all changes.

**How can you contact us?**

If you have any questions regarding privacy while using the Application, or have questions about our practices, please [contact us](#) via email.

**When was this Privacy Policy last updated?**

This privacy policy was last updated on March 1, 2019.
