

This Vislink Purchase Order (“PO”) and any attachments govern the purchase terms entered into between Vislink (which may contract through either of (x) Vislink Limited, a private limited company registered in England under the number 10523708 whose registered office is at Waterside House, Earls Colne Business Park, Colchester, Essex CO6 2NS, or (y) Vislink LLC, a Delaware limited liability company) and the Seller identified in the Order (“Seller”), effective as of the effective date set forth therein (the “Effective Date”). Together, these Terms and Purchase order constitute a single agreement (collectively, the “Contract”). For purposes of these Terms, “Vislink” means the applicable Vislink entity identified in the Purchase Order document.

#### **1. Acceptance of Terms**

This PO is expressly conditioned on Seller's acceptance of all the terms and conditions set forth herein. Vislink expressly objects to any additions, deletions or differences in the terms or conditions contained in Seller's quotation, proposal, acknowledgment or other document, whether or not such additions, deletions or differences materially alter this PO. This PO may be issued in addition to other duly signed Vislink agreements, exhibits and schedules incorporated therein (“Agreement”) made with respect to the subject matter of this PO. In the event of an inconsistency or conflict between the provisions of any Agreement and this PO, the inconsistency or conflict will be resolved by giving precedence in the following order: (a) the Agreement; (b) the provisions appearing on the front and reverse side of this PO, and (c) other provisions when attached and agreed to in writing by Vislink.

#### **2. Performance**

Time is of the essence in the performance of this PO. Goods and Services provided by the Seller are expected to arrive no sooner than 3 business days in advanced of the agreed delivery date, and no later than the close of business on the agreed delivery date. If the goods are not delivered or the services not provided in the manner and at the times specified, Vislink reserves the right without liability and in addition to its other rights and remedies to take either or both of the following actions: (a) direct expedited delivery of the goods or performance of services, with any difference in cost caused by such change paid by Seller, and/or (b) purchase substitute goods and charge Seller with any loss or additional costs Vislink incurs. Seller will promptly advise Vislink of any delay in performance, including notice with regard to any goods placed under backorder. Seller's performance is not deemed completed until the goods or services have been accepted by Vislink. All goods shipped under this PO are to be shipped CIF Vislink's facilities.

#### **3. Inspection**

All goods and services purchased hereunder are subject to inspection by Vislink at all reasonable times and places notwithstanding the terms of payment, and in any event, prior to final acceptance. No inspection made prior to final acceptance will relieve Seller from responsibility for failure to meet the requirements of this PO. In the event the goods or services do not meet the applicable specifications and instructions, Seller will promptly re-perform the nonconforming services or provide replacement goods satisfactory to Vislink at Seller's sole expense. If Seller is unable to accomplish the foregoing, Vislink may procure such goods or services from another source and charge to Seller's account all costs, expenses and damages associated therewith.

#### **4. Payment**

Invoices must contain the following information: PO number, part numbers, description of services, prices, extended totals and attach all supporting documentation, if any. To the extent applicable, all invoices must include any tax amounts, listed separately. Unless otherwise agreed, invoices submitted hereunder will be paid Net 60 days, after receipt of a correct invoice or acceptance of goods or services by Vislink, whichever occurs later. Any adjustments in Seller's invoices due to late performance, rejections or other failure to comply with the requirements of this PO may be made by Vislink before payment. Payment does not constitute final

acceptance. Vislink may offset against any payment hereunder any amount owed to Vislink by Seller or its affiliates.

#### **5. Changes**

Vislink may, by written notice to Seller make changes to any one or more of the following: (a) specifications for services or goods, (b) quantity, and (c) place and/or time of performance. For any reason, Vislink may also direct Seller to suspend in whole or in part the provision of goods or the performance of services hereunder permanently or for such period of time as may be determined by Vislink to be necessary or desirable. If any such change or suspension causes an increase or decrease in the cost or time required for the performance of services or provision of goods hereunder, an adjustment may be made in the price or delivery schedule, or both, and the PO will be modified in accordance with Section 22. Any claim for adjustment by Seller will be deemed waived unless asserted in writing within ten (10) days from receipt by Seller of the notice of change.

#### **6. Warranty**

Seller expressly warrants that the goods or services provided under this PO will be performed in accordance with Vislink's specifications and instructions. Seller further warrants that the goods and services will be merchantable, non-infringing, free from defects and fit and sufficient for the purpose intended. Further, the services will be performed with the highest degree of skill and judgment exercised by recognized professionals performing the same or similar services. These warranties are in addition to all other warranties, express, implied or statutory. Payment for, inspection of, or receipt of the goods or services does not constitute a waiver of any breach of foregoing warranties. In the event of any breach of the foregoing warranty, Seller will, at its own expense and at Vislink's option either: (a) provide replacement goods satisfactory to Vislink, (b) re-perform the nonconforming services to the satisfaction of Vislink, or (c) refund to Vislink the total amount paid for such goods or services. Seller will extend all warranties it receives from its suppliers to Vislink and to Vislink's customers.

#### **7. Confidential Information**

The confidential information of Vislink will only be disclosed to Seller's employees, agents or consultants with a need to know and who are under a written obligation to keep the information confidential. Seller will not disclose the Confidential Information to any third parties. Seller will use the same degree of care but no less than a reasonable degree of care that it uses with regard to its own confidential information to prevent the disclosure of Vislink Confidential Information.

#### **8. Termination For Convenience**

Upon notice of termination, Seller will inform Vislink of the extent to which it has completed its performance under this PO as of the date of the notice and collect and deliver to Vislink any goods or Work Product, as defined in Section 11, which then exists. Vislink will pay Seller for completed goods or services delivered and accepted by Vislink through the effective date of termination. Additionally, Vislink will provide reasonable compensation for suppliers direct costs which, include but not limited to materials, direct labor, NRE and a reasonable profit margin, for uncompleted Work Product. In any case, Vislink will not be obligated to pay more than the payment that would have been due had Seller completed or provided the goods or services. Vislink will have no further payment obligation in connection with any termination.

#### **9. Indemnification**
